DETAILED ACTION

Supplemental Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. David Longo on 1/24/2011.

The following Examiner's Amendment replaces the corresponding parts of the Examiner's Amendment included in the Notice of Allowance sent to Applicant on 11/2/2010.

Claim 39:

Line 2: Delete "*the*" between "*stored*" and "*results*"

Claim 42:

Line 6: Delete "*the*" between "*handlers*" and "*one*"

Supplemental Reasons for Allowance

2. Claims 24-35 and 38-45 are allowed.
3. The following is an examiner's supplemental statement of reasons for allowance:

In the Notice of Allowance issued on 11/2/2010, the Notice of Allowability section cited Reasons for Allowance, including a statement in subsection 3.3 citing the allowable features for claims 24 and 40. In said statement/citation, a typographical error was made, i.e. one of the word "*quantity*" in original claims 24 and 40 was cited as "*quality*". It is hereby corrected that Independent claims 24 and 40 contain the following underlined limitations, which when combined with other limitations in said claims, render the claims allowable because conventional techniques in the art failed to anticipate or render obvious said limitations when combined with other features:

Claim 24 / 40 ... A system / method ... comprising / comprising the steps of:
... a geometric saturation index indicative of a degree of use of said cables, wherein the geometric saturation index is based on a ratio of a quantity of cable pairs which support said broadband transmissive systems in at least a portion of the access network and a **quantity** of total available cables in said portion of the access network; ... (**emphasis** added to show where the typographical error was made in the Notice of Allowance issued 11/2/2010).

It is hereby also noted that all other Reasons for Allowance stated 11/2/2010 remain the same.
